The initial payment for Chamber Membership Dues covers the business' member rate for one 12 month term, and is then billed at the end of that term for the next 12 month cycle.
  - If you have more than one business, or if your primary business/organization/location includes a secondary on-site business that you would like to also have included and represented by the Chamber of Commerce, a "Multiple Business" discount is available off of the base rate of any second, or third business. Please contact the Chamber for more information. Examples include: a winery that has primary membership but is interested in having an on-site restaurant or lodging facility included as a member as well, or a business that has an associated sister property or location.
